Modova: Horizon 2020 Launch Event 17 March 2014

The Republic of Moldova will host on the 17th of March 2014 the regional launch event of the new Framework Programme for Research and Innovation 'Horizon 2020', with the participation of Eastern Partnership countries. The topics addressed during the event will focus on practical aspects of transition from the Seventh Framework Programme (2007-2013) to Horizon 2020 (2014- 2020).

The event is organised by the Academy of Sciences of Moldova (ASM), Center of International Projects, under the aegis of the Eastern Partnership Platform IV 'Contacts between People' and in partnership with European Commission Directorate General for Research and Innovation.

Mr. Robert-Jan SMITS, General Director of DG Research and Innovation, European Commission has confirmed his participation to the event.

Taking into account the importance of the new Programme Horizon 2020 and the interest of the Eastern Partners shown for benefiting from its potential, it is expected that this event will contribute to a better understanding of new opportunities and first calls launched under H2020.
