Azerbaijan	25
TOTAL	516

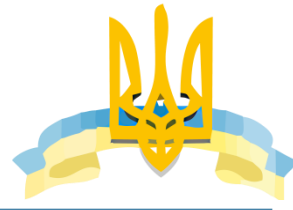

Ranking list of the EU contribution to the participation of Eastern Partnership Countries in FP7

Ukraine: scientific cooperation priorities

Ukraine focuses onto broadening the cooperation with the European Union in the field of sciences, researches and technologies in a quality of associated participant at the «Horizon 2020» program

Both EU and Ukraine are interested in cooperation in the «Space» program, considering the essential potential of Ukrainian science and industry in this domain

Ukraine to promote the activities of the National Contact Points and involve the private sector in the research cooperation through participation in the H2020 projects

Ukraine: scientific cooperation priorities

Renew and activate the EU-Ukraine S&T cooperation agreement, in order to enhance the participation of Ukrainian research entities in H2020 projects

Both EU and Ukraine will elaborate the Action Plan in field of science and technology cooperation

*Thanking the audience
for the kind attention*
