

Week of Innovative Regions in Europe (WIRE2014) | Save the Date!

The Greek National Documentation Centre (EKT) and the European Commission, in collaboration with the Greek General Secretariat for Research & Technology, have the pleasure to invite you to participate at the International Conference **“Week of Innovative Regions in Europe 2014”**, which is organised under the frame of the Greek Presidency of the Council of the European Union, in Athens, Greece, on the 12th and 13th of June, 2014.

The WIRE Conference provides a forum for policy dialogue on Regional Strategies, Innovation & Growth. Organised since 2010, it has been established as a debate leading to new proposals for improving the effectiveness of regional, national and European governance, measuring the impact and supporting regional development. This year, the Conference will focus on:

- European funding for Innovation & Regional Development in 2014-2020
- Business driving Regional Innovation
- Open Data & knowledge re-use for regional growth.

You may find the preliminary programme & practical information on: <http://www.wire2014.eu/>.
