CLOSING DATE: 10 SEPTEMBER 2015 AT 17:00 (BRUSSELS LOCAL TIME)

ABOUT COLLEGIUM CIVITAS

Collegium Civitas is a modern non-state higher education institution established in 1997 in Warsaw (Poland). From the very beginning of its existence, it is operating under the five auspices of the five institutes of the Polish Academy of Sciences. Experience and commitment of its founders and faculty members have earned it a reputation of the best place to study international relations, social and political science in Polish and English. Collegium Civitas is entitled to BA, MA and PhD in a variety of programmes.

Collegium Civitas received accreditations from National Accreditation Commission and the University Accreditation Commission at the Conference of Rectors of Polish Universities.

We are an official member of many international associations and organizations, e.g. the International Sociological Association, the International Society of Political Psychology, the International Political Science Association.

Research activities in Collegium Civitas are conducted by scientific teams within research Institutes, which deal with issues from the fields of Sociology, Public Policy and International Relations, with a special focus on interdisciplinary analysis of social and economic challenges. Institutes constitute of titled scientists who pursue their own research, publish in scientific journals and participate in conferences, as well as conduct high-quality teaching activities.

Hardly any university in Europe may boast the fact that as many as four its lecturers are Members of the EU Parliament, as it is the case in Collegium Civitas. Among our instructors there are also former Ambassadors and Charge d'affaires to such countries as the US, Russia, Japan, India, Pakistan, Canada, Egypt, Greece, Cyprus, Hungary, Switzerland, Angola, Ireland, Moldova, Armenia, Belgium, and Israel, the President of the Polish National Television Council, Director of the national Academy of Public Administration, Director of the Nonmilitary Security Department of the National Security Bureau, and two members of the Council of the Institute of National Remembrance.

APPLY FOR A MARIE SKŁODOWSKA – CURIE FELLOWSHIP AT COLLEGIUM CIVITAS

Collegium Civitas is seeking to develop collaborative funding proposals with experienced researchers for submission under the Marie Skłodowska-Curie Fellowship programme in Social Sciences and Humanities or Economic Sciences.

Proposals for European Fellowships involve a single host organisation (future beneficiary). The project proposals are submitted by this host organisation, which is represented by the supervisor, in liaison with the researcher.

For European Fellowships the applicants can submit their proposals as Standard EF to one of the 8 main evaluation panels or to one of the 2 multidisciplinary panels: Career Restart Panel (CAR) and Reintegration Panel (RI). The CAR panel provides financial support to individual researchers who want to resume research in Europe after a career break, while the RI panel is dedicated to researchers who want to return to Europe to reintegrate in a longer term research position.

Duration

The duration for European Fellowships (standard EFs, CAR and RI multi-disciplinary panels) is between 12 and 24 months.

For the Global Fellowships there is a first outgoing phase between 12 and 24 months, and an additional mandatory 12 months return phase, so the total duration of this type of fellowship is between 24 and 36 months.

FINANCIAL ASPECTS

Living allowance

€ 4,650 EUR per month. This refers to the basic, gross amount for the benefit of the researcher to be paid to the researcher in monthly instalments

Mobility allowance

In addition to the living allowance, a mobility allowance will be paid to recruited researchers: € 600/month

Family allowance

€ 500/ month family allowance will be paid in case the supported researcher has family

Obligations. In this context family is defined as persons linked to the researcher by (i) marriage, or (ii) a relationship with equivalent status to a marriage recognised by the legislation of the country where this relationship was formalised; or (iii) dependent children who are actually being maintained by the researcher.

NB: The mobility and family allowances are fixed amounts, regardless of the country of recruitment, and may be taxable depending on the country in question.
